Full Day: 8.00am to 6.00pm

- ★ Minimum requirement of 2 days per week.
- ★ Hours indicated are maximum extremes, children can be dropped off and/or picked up anytime within those times. Unlike many other nurseries our fees include extra-curricular clubs, meals, snacks and milk (excluding formula milk, nappies, wipes).
- ★ Unlike other nurseries, we charge 10% less for Mondays and Fridays. This discount accumulates over the year to compensate for Bank Holidays and Staff Training Closures.
- ★ Fees are calculated at a fixed monthly rate based on your child's weekly sessions. This is calculated by multiplying the number of weekly sessions by 52 weeks which is then divided by 12 months to produce an average monthly cost. $\text{Weekly fees} \times 52 \text{ (weeks)} / 12 \text{ (months)} = \text{monthly invoice (Average monthly cost)}$

Funding

- ★ Eligible children are entitled to receive 15 or 30 hours basic funded childcare, commencing the term after your child becomes eligible for funding. Local Authority Conditions Apply.
- ★ The government funding contributes towards basic statutory childcare and does not include meals or additional services. The government only pays funding during term time (38 weeks a year), not all year round. BLS stretches this 38-week funding entitlement over the year.
