Cornflour and Water play

What you will need:

Cornflour

Forks

A tray or bowl

Food Colouring
(optional)

Additional language
that could be used:

Warm

Cold

White

Fast

Slow

Discuss the different forms that corn flour takes.

Liquid when the fork is held in the air and solid when the flour is in the tray.

Allow your child the freedom to make mess and ask questions.

Allow children to mark make and experiment with colour.
